FACULTY

College Service – FT Faculty – On the last day of classes, it is required that all full-time faculty submit *College Service Activities (Form XIII-E5)*. In the upper part of this form under #1, you should have listed the college service activities assigned at the beginning of the semester. In the middle of the form under #2, again list the activities with specific date(s) of participation (if applicable). The “if applicable” language applies to activities that are on going during a semester and no specific date can be determined. In the lower part of the form under #3, a few immediate supervisors have requested documentation that evidences participation in the college service activities. If this request was made, it should have been done at the beginning of the semester in order to give faculty time to compile documentation as the activity is performed. College service activities may include:

1. Serving as advisor to student activities;
2. Serving on governance, ad hoc, college standing committees, system-wide task forces or committees, or labor-management committees;
3. Preparing grant proposals;
4. Participating in college, division, department or other related college meetings and/or activities;
5. Participation in the improvement and development of academic programs and resources, including recruitment.
6. Serving as a department chair/coordinator pursuant to Article XX and college-wide coordinators.

If faculty received ***reassigned time*** to perform ***non-instructional activities*** such as department chair work, curriculum development, professional development activities, or administrative (non-managerial) duties, then these activities should be listed on the *College Service Activities (Form XIII-E5)*. If there is a report associated with the above-referenced activity, then the report should be attached to the *College Service Activities (Form XIII-E5)*.

Instructional Work -If faculty received ***reassigned time*** to perform ***individualized instruction and/or tutoring*** services, then these activities should be incorporated in the workload calculations on the Workload Form under the section for ***Instructional hours for individualized instruction***. Individualized instruction and/or tutoring can be performed in faculty offices or in learning centers.

Student Advising – FT Faculty – On the last day of classes, full-time faculty are required to submit a *Student Advisement Log – Form XIII-E4* including student’s name, program, date of conference, and recommendation/purpose.

If faculty received ***reassigned time*** to perform additional ***academic advising***, then these additional meetings with advisors should also be recorded on the *Student Advisement Log – Form XIII-E4* whether the faculty member provided advice in the faculty member’s office or in an Advising Center.
